INDEX TO THE BULLETIN

JANUARY TO DECEMBER, 1941

For compactness, the entries (chiefly objects of art, donors, lenders, Members, events, and activities) are in general noted under only one heading, that is, the broadest category into which the material falls—Sculpture; Donors of objects of art; Members; Exhibitions; Publications; etc. The cross references under these headings are guides to additional or related material treated elsewhere. The page given refers to the first mention in an article.
